

Could your 3 or 4 year old benefit from an extra boost in pre-academic skills?

Discover **KinderPrep**, a six-week intensive enrichment program designed to equip your child with the skills necessary to succeed in kindergarten. Small group activities focused on the individual needs of each child will stimulate development of:

- *Pre-academic skills*
- *Early literacy*
- *Social language*
- *Play skills*

When: **KinderPrep 1** meets 1:00 - 3:30pm on 6 consecutive Tuesdays beginning July 13th

or

KinderPrep 2 meets 9:30am - 12:00pm on 6 consecutive Fridays beginning July 16th

Where: Center for Hearing and Communication
50 Broadway, 6th Floor
New York, NY 10004

Cost: \$875

Snacks: Included

KinderPrep, a new program at the renowned Center for Hearing and Communication (CHC), is conducted by teachers with extensive experience in facilitating language, literacy and social skills among children. CHC's unique expertise, previously available only to children with hearing loss, is now being offered to children with normal hearing. With **KinderPrep**, your child can get a "leg up" as he or she begins the interview process for kindergarten.

For more information about either of these KinderPrep sessions (or future KinderPrep sessions), please contact Josephine Massab at 917.305.7840 or jmassab@CHC hearing.org
